Kennesaw State University
(Pilot of) Comprehensive Program Review Reporting Vehicle
Reporting Vehicle Definitions

Fiscal Year (used for fields related to graduates/ degrees) – The combination of subsequent summer, fall, and spring terms. Ex. FY17 = Summer 2016, Fall 2016, and Spring 2017. Summer 2016 relates to the entirety of the summer semester and does not begin on July 1st.

Classification of Instructional Programs (CIP) Code – Maintained by the National Center for Education Statistics, CIP codes provide a taxonomic scheme that supports the accurate tracking and reporting of fields of study and program completions activity. Specific to KSU, all interest majors are coded with the same CIP code as the official major. All program data provided by the Office of Institutional Research will be identified and reported based on CIP code.

Indicators of Measures of Quality

Standardized Test Scores (if applicable) for undergraduate programs: ACT and SAT
Definition: Average SAT/ ACT scores for enrolled students within the degree program's CIP code who submitted test scores upon applying to KSU. If a student submitted both SAT and ACT scores, their scores are counted in both averages.

Number of Enrolled Majors
Definition: Number of students enrolled in a degree program's CIP code in a particular term.

Average Freshman Index for Enrolled Majors (as applicable)
Definition: The average freshman index for students enrolled in a degree program's CIP code in a particular term.

Average Cumulative GPA – Graduates
Definition: An average of the final cumulative GPAs of any undergraduate student who graduated within a particular fiscal year and CIP code.

Average Graduate and/or Undergraduate Cumulative GPA: Admitted and Enrolled (if data are available)
Definition:

Standardized Test Scores for Graduate Programs: Admitted and Enrolled (if data are available). GRE, GMAT, or other: Choose the standardized examination and indicate in the space provided below
Definition:

Average Cumulative GPA- Graduates
Definition: An average of the final cumulative GPAs of any graduate student who graduated within a particular fiscal year and CIP code.

Number of Terminally/ Non-terminally Degreed Faculty in the Department (regardless of whether the faculty teach in the program)

Full-Time Definition: Full-time faculty and chairs within their home department at the time of fall census report (Nov. 1).

Part-Time Definition: Part-time faculty who are on payroll within their home department at the time of fall census report (Nov. 1).

Faculty degrees are queried from the Faculty Information System and coded as terminal/ non-terminal

Undergraduate or Graduate Programs: Total Amount of Sponsored Research Funding Awarded for the Fiscal Year (Program to populate)
    Definition: Program Specific

Undergraduate or Graduate Programs: Other external funds for program support. Provide the total amount for the fiscal year. (Program to populate)
    Definition: Program Specific

Undergraduate or Graduate Programs: Number of peer-reviewed publications for the fiscal year (Program to populate)
    Definition: Program Specific

Undergraduate or Graduate Programs: Number of faculty research fellowships awarded in the fiscal year (Program to populate)
    Definition: Program Specific

Indicators of Measures of Viability

Number of students who applied to KSU and selected the degree program as their intended major
    Definition: New freshmen, transfer freshmen, and transfer students who <u>completed</u> an application to KSU and selected the degree program on their application. Readmits are not included.

Number of students who are admitted to KSU and selected the degree program as their intended major
    Definition: New freshmen, transfer freshmen, and transfer students who were admitted to KSU and selected the degree program on their application. Readmits are not included.

Number of enrolled majors in the degree program
    Definition: New freshmen, transfer freshmen, and transfer students who enrolled at KSU and selected the degree program as their enrolled major. Readmits have been removed.

Standard faculty workload for the program (Program to populate)
    Definition: Program Specific

Number of faculty (tenured/tenure-track and non-tenured/non-tenure track) supporting the degree program outside of the program (Program to populate)
    Definition: Program Specific

Number of full-time faculty teaching in the program (Program to populate)
    Definition: Program Specific

Number of part-time faculty teaching in the program (Program to populate)
    Definition: Program Specific

Institutional Research 09.08.2017

Average Time to Degree
> Calculation: For one graduate of KSU, the time to degree is the total number of terms the student was enrolled at KSU. Terms are weighted as fall= 0.4, spring=0.4, and summer=0.2.

Number of degrees awarded in the program for the fiscal year
> Definition: Number of degrees within the fiscal year that were awarded based on the degree program's CIP code.
