Project Name: Review of Scheduling Process/Systems

Prepared By: Rifka Mayani
Date Prepared: September 13, 2019

Status: On Hold
Estimated Completion: July 2020

Accomplishments To Date

- Increased Utilization for Students - Opened up additional access in EMS for Student Organizations to directly book space for meetings and information tables.
- Expanded Functionality for Staff
  - Expanded EMS access provided to key leaders for the Kennesaw and Marietta Student Center, along with University Events, after receiving approval from the EMS steering committee.
  - Collaborated with the Catering and Event A/V providers to expand access to allow for direct invoicing of events through EMS.
- Final Exam Bookings – Developed automation between Banner and EMS to accurately reflect and book final exams in EMS.
- Improved Automation and Reporting - Expanded usage of automated reports and notifications from EMS to notify service providers of events that require support as well as changes that occur close to the actual event date.
- Legacy Data Cleanup – Clean-up of categories and resources, messages, comment types, features, notification rules, statuses, and departments.
- Room Audits (Facilities) - Performed audit of room types in collaboration with Facilities and a cleanup is in process to ensure EMS system room data is accurate.

Plans For Next Month

- Academic Scheduling – Review of current processes and configuration for academic scheduling with the Registrar’s office.
- Improved Training and Documentation – Coordination with the training team to create better training documentation for EMS including how to reserve a simple meeting, information tables and requesting event space. We plan to expand access to this kind of documentation for the campus community.
- Catering - Possible upcoming collaboration with KSU Catering to expand system capabilities in support of catering operations.
- Room Audits (Events/Student Life) – Room audits are being conducted by University Events and Student Life to verify accuracy of room information.

Project Name: KSU Budget Review Process

Prepared By: Antrameka Knight  Date Prepared: September 23, 2019

Status: On Track  Estimated Completion: 

Accomplishments To Date

- **Budget Website**
  - The website has been updated with FY2020 budget data, including charts, trends, and a report showing budget by division/fund. This data provides transparency regarding the institution’s overall budget and how it is allocated.

- **SAS Training**
  - Since the implementation of SAS training in March 2019, almost 180 users have received either beginner or intermediate training. This group includes business managers, department chairs, and other users who access the SAS system to track budgetary/financial data. Going forward, sessions will be held approximately every 6 weeks, with classes alternating between campuses.

- **Reporting**
  - Original focus group to identify improved position management and dining services reports for Academic Affairs and Auxiliary, respectively, have all been completed.

Plans For Next Month

- An Intermediate SAS Training class is scheduled for October 11. This class targets business managers who wish to delve further into the analytical capabilities of the SAS tool (Comprehensive Financial Report and Position Management).

- Post the remaining position management reports to the SAS portal for Academic Affairs by end of September.

Project Name: KSU Brand Refresh
Prepared By: Alice Wheelwright
Status: Complete

Final Result:

- Refreshed brand including all elements of the brand (logo, messaging, mission, vision, values, brand pillars, new brand guidebook outlining more expansive branding elements, new advertising campaign) all launched as of 8/19/19.
- New brand well received in the marketplace with new media coverage of the First Day of School Cake and the Brand Launch events exceeding previous year’s coverage.
- Continuing to monitor and measure metrics on advertising campaign.
- Will continue to work across the University on new branding adoption and understanding.

Project Name: One Community Council Meetings
Prepared By: Alice Wheelwright
Status: Complete

Final Result:

- One Community Council meetings fully established. We hold three sessions a year (Fall, Winter, Spring) bringing the entire University marketing and communications community together to share best practices, provide skill building sessions, update on key University initiatives.
- Hold Community of Interest sessions every six to eight weeks to get smaller groups together that share areas of interest (Marketing, Graphic Design, Web Content Development and Management, Communications and Social Media and Photography and Videography).
**Project Name: KSU Today (formerly KSU Inform 2.0)**

Prepared By: Alice Wheelwright

Status: **Complete**

**Final Result:**

- In January 2019, transitioned daily communications digest for faculty and staff from KSU Inform to KSU Today. The new, easier to read and digest format has been well received.
- Some of the new communications tools outlined in Internal Communications Tools update will replace KSU Today yet this year.

**Project Name: Marietta Campus Life Space**

Prepared By: Gloria Laureano

Status: **Complete**

**Final Result:**

Additional informal gathering space available for students near the Wilson Student Center, and with carpet project completed, the “living room” of the campus in the Wilson Center makes it more of a welcoming space where students can gather and engage in conversation or just study. The meeting rooms also received new carpet and their AV was upgraded, making for an enhanced meeting experience for student organizations as well as faculty and staff meetings.

Usage statistics for the building are available upon request; a semester report will be produced by January 2020. We are also embarking on a customer service satisfaction survey. Results will be included in the semester report for the building.

**Project Name: Marietta Rec. Opportunities and Facilities**

**Final Result:**

Due to budgetary constraints, class and compensation equity will be evaluated on a case by case basis.

**Project Name: Strategic/Prioritized Hiring**

Prepared By: Karen McDonnell

Status: Complete

**Final Result:**

- Contracts with Targeted job sites
- Campus Roadshows on how Talent Acquisition can support campus
- Sourcing candidates for key roles
- Transitioning recruiters to support campus with pre-screening and search committees

**Project Name: Transform Electronic Workflow**

Prepared By: Rifka Mayani

Status: Cancelled

**Final Result:**

Elements of this initiative will be covered through both the DocuSign and Business Process Automation projects.
Project Name: DocuSign Electronic Signature

Prepared By: Rifka Mayani

Status: Complete

Final Result:

Kennesaw State has significantly reduced our reliance on paper forms and manual routing. There has been a sizable increase in the utilization of DocuSign each month since deployment. August 2019 had 5500 envelopes created, compared to 3200 in July 2019. Significant efficiencies over paper documents have been seen, with 50% of DocuSign workflows completed in less than one hour.

Project Name: Housing WiFi for Marietta and Kennesaw Campuses

Prepared By: Davide Gaetano, Jim Herbert

Status: Complete

Final Result:

Wireless services went live this Fall 2019 semester in all Kennesaw State University operated residences, providing students with a significant service improvement of 100Mbps per device Internet connectivity. This turnkey service, which provides on-site technical support and a 24/7 service desk is being provided at a lower cost than would be possible as a self-operated service. Quality of service has been greatly improved, with faster speeds, denser wireless coverage, and support for gaming.

Project Name: Adult and Commuter Tracking System

Prepared By: Bob Mattox

Status: Complete

Final Result:

The student check-in/tracking system for Adult Commuter Student Affairs was designed to provide information and reporting tools on the type of services and resources used by current students. This information is then accessible from a reporting suite online using KSU’s network. This data can assist leadership in determining what service may be offered or expanded upon for our students. At the end of the present semester, we will have data on which to base next semester.
Project Name: Co-Curricular Credentialing Model

Prepared By: Bob Mattox

Status: Complete

Final Result:

Additional modules for OwlLife were purchased and phase 1 pilot was successfully completed. The next phase will be to ensure all student engagement data is captured in OwlLife for us to implement Owl Paths and enhanced tracking for all co-curricular activities. This will support the division’s efforts to connect student engagement data with student progression.

Project Name: Assessment of Career Planning Offerings for Grad Students

Prepared By: Ana Baida

Status: Complete

Final Result:

Project Name: Launching PeopleGrove Mentorship Platform

Prepared By: Jyll Kafer

Status: Complete

Final Result:

- Post Launch registered Alumni Users to-date - 630
- Student users to date- 568

Project Name: KSU Purchasing Manual

Prepared By: Catherine Ice

Status: Complete

Final Result:

Procurement Team is reviewing sections of the KSU Purchasing Manual at bi-weekly team meetings. It is creating discussions among the team and has led to a couple of updates that will be incorporated into the Manual. These trainings have also led to more consistent answers from the team to the end-users on campus.

Project Name: Procure to Pay Matrix

Status: Complete

Final Result:

During Fiscal Update Meetings with campus’ Business Managers, it was mentioned that this tool is very helpful in determining how to proceed with a purchase – which way to do it and to whom to contact if still uncertain.

https://fiscalservices.kennesaw.edu/procurement/docs/Procure_to_Pay_Matrix.pdf

Project Name: Procurement Process Flowcharts

Status: Complete

Final Result:

Simplified the procurement process for the campus and shows the interconnectivity of the impact between procurement and the campus.

Project Name: University Contract Listing

Status: Complete

Final Result:

Assists the campus with obtaining products and services quicker than a new solicitation.

Project Name: Service Level Agreement Dashboard

Status: Complete

Final Result:

These dashboards are continuing on a monthly basis. They provide a window into procurement that helps procurement maintain its accountability.

https://fiscalservices.kennesaw.edu/procurement/sla/sla_reporting/current_sla.pdf
**Project Name: Procurement Advisory Council**

Status: **Complete**

**Final Result:**

Catherine Ice will lead these meetings.

**Project Name: Policy – Electronic Document Control**

Prepared By: Paula Bechtler

Status: **Complete**

**Final Result:**

Implemented a new software to help house and manage policy documents and updated the KSU policy website.
